Dear Applicant,

Enclosed please find the *Chief's Memorial Campership Fund Application for Financial Aid* for the 2012 summer season of The North Country Camps in Keeseville, New York. The Chief's Fund is a non-profit organization administered entirely by a volunteer board of directors which awards camperships to deserving children based on financial need. It is a separate organization from The North Country Camps.

The Chief's Fund was created in 1975 to make the North Country Camps' experience available to children who would both benefit from and contribute to the camp community and who would otherwise be denied such a chance due to financial circumstances. It was named in honor of the memory of Colba F. Gucker, founder of Camp Lincoln and Camp Whippoorwill, known to all as "Chief".

The Fund normally grants a maximum of 50% of the camp fee (\$3,600 for the full season; \$3,100 for the five week season), unless the circumstances are unusual.

Application Directions:

- All applicants **must be registered** at Camp Lincoln or Camp Whippoorwill to be considered for funding.
- Fill out **completely** and sign the application form. If you would like to attach any additional relevant information in a letter to the Board, please feel welcome to do so.
- Attach complete copies, including relevant schedules, of your US Federal Income Taxes for the past three years. The fund recognizes that you may not be able to provide copies of your 2011 tax returns at this time. If we already have previous tax forms on file, send only the most recent one.
- If parents are separated or divorced, each parent must fully complete an individual application and submit appropriate tax returns. If this is not possible, please explain in a letter to the Board.
- Application packages (including the application and all required tax returns) must be **post marked no later than February 15, 2012. Applications that are incomplete or postmarked after February 15, 2012 may not be considered for funding at the spring board meeting.**

Chief's Fund Policies:

- We give priority to deserving children who are at least eleven years old. It is also our policy to fund a child for up to three years. New candidates may be given preference if a child has already received three years of funding. If your child is younger than eleven or if you have received assistance in the past, we do however encourage you to apply; it is possible that we may be able to provide funding.
- The Chief's Fund Directors recognize the great value of the full camp season experience and encourage applicants to take advantage of it, if at all possible. If you request funding for the full season, please view this as a commitment. An early departure from camp results in unused funds which would have otherwise been available to help another child.
- Information supplied by applicants will be considered strictly confidential. Payment of awards is made directly by the Chief's Fund to The North Country Camps. The Directors of The North Country Camps will be aware of the recipients and the amount granted by the Chief's Fund.
- Financial data is treated with the strictest confidence. Applications are received by the Board of Directors or a subcommittee of Board members. If you have any concerns or questions about the review process, please note them on the application or communicate with Duchess Kay.

**Funds will be awarded by April 20, 2012. For more information, please contact:
